THE FIRST ROUND

FirstRound AI

A better first round starts here.

- Voice interviews / Real practice / Smarter hiring

THE CHALLENGE

Hiring should feel simpler.

One clear flow from first contact to next steps.

- Too many disconnected steps
- Too little useful feedback
- Too much waiting

FOR EMPLOYERS

Build a better hiring flow.

From a position to the next strong candidate.

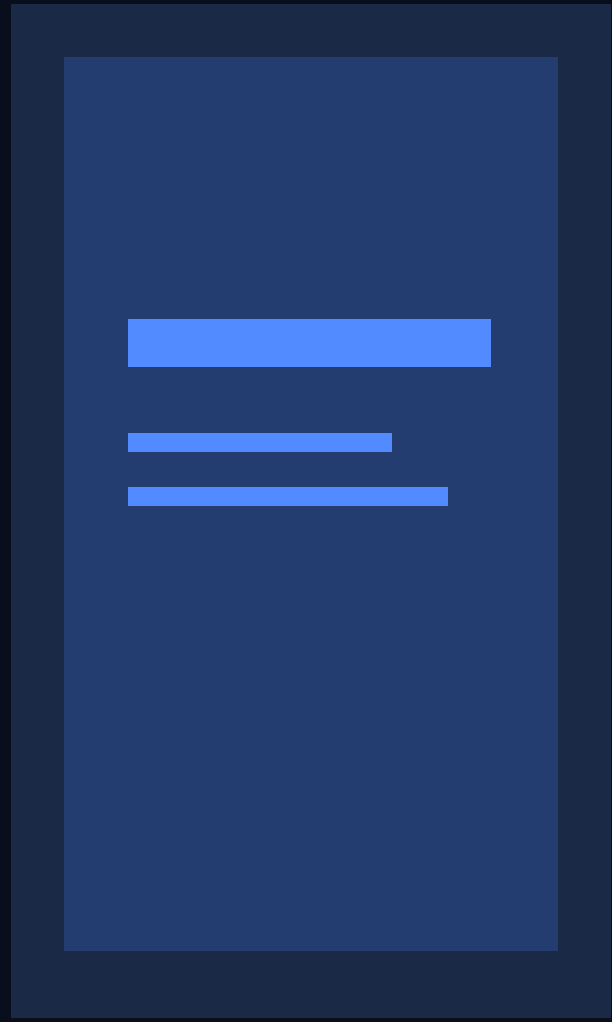
- Create and publish positions
- Configure structured interviews
- Review results and move forward

FOR CANDIDATES

Practice with purpose.

Prepare for the conversation that matters.

- Practice interviews and real scenarios
- Develop presentation confidence
- Review feedback and improve



PRESENTATION STUDIO

Your slides. Your voice.

Rehearse, record and present with confidence.

- Import your PDF slides
- Add a script to each slide
- Speak and follow along automatically

LET’S TRY IT

You’re ready to present.

Start a rehearsal and read each script aloud.
